Rufusal of treatment by empanelled Hospitals

3455. SHRI MOINUL HASSAN: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether attention of Government has been drawn about the fact that most of the hospitals recognised by Government have now refused to impart treatment to the Central Government employees and pensioners on the plea that the rates of various pathological tests, surgery, etc. are too low and even would not meet the cost; and

(b) if so, what are the rates fixed for each pathological test and surgery and the rates for the same at the CGHS recognized private hospitals?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) Rates for various test and procedures in CGHS have been determined by floating tenders. Only such hospitals are empanelled that sign a Memorandum of Agreement with the CGHS accepting the rates etc. and are liable to stiff penalties for defaults in agreed terms of service delivery including refusal to provide services.

(b) The list of CGHS prescribed rates in available on website www.mohfw.nic.in/cghs.htm.
